Dear Editor-in-Chief IJMER,

After Graduate School review my dissertation and the copyright form of the journal publishing by IJMER. They asked me to get the written permission from IJMER because the following stated in the copyright form.

In the copyright form as attached in the email said the author(s) reserve(s) all proprietary rights such as patent rights and the right to use all or part of the article in future works of their own such as lectures, press releases, and reviews of textbooks. In the case of republication of the whole, part, or parts thereof, in periodicals or reprint publications by a third party, written permission must be obtained from the Editor-in-Chief IJMER.

My manuscript id is 69051. I need to add this article in my dissertation. Could you please provide me the written permission letter?

Best regards,

Siranee
