Keywords: lignin, *CAld5H2*, BEL1-like homeodomain protein, transcription factor, yeast one hybrid

A Corrigendum on

BEL1-like Homeodomain Protein BLH6a is a Negative Regulator of *CAld5H2* in Sinapyl Alcohol Monolignol Biosynthesis in Poplar

by Wang, Q., Dai, X., Pang, H., Cheng, Y., Huang, X., Li, H., Yan, X., Lu, F., Wei, H., Sederoff, R. R., and Li, Q. (2021). *Front. Plant Sci.* 12:695223. doi: 10.3389/fpls.2021.695223

When originally published, the article title contained a typographical error. The correct gene name should be “*CAld5H2*” instead of “*CAI5H2*” as originally published. The correct title is “BEL1-like Homeodomain Protein BLH6a is a Negative Regulator of *CAld5H2* in Sinapyl Alcohol Monolignol Biosynthesis in Poplar.”

The authors state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
