1. This is an agreement between the Australasian Journal of Combinatorics (the "Journal"), and the copyright owner (the "Owner") of a work (the "Work") to be published in the Journal.
2. The Owner warrants that s/he has the full power and authority to enter into this Agreement and to grant the rights granted in this Agreement.
3. The Owner hereby grants to the Journal a worldwide, irrevocable, royalty free license to publish or distribute the Work, to enter into arrangements with others to publish or distribute the Work, and to archive the Work.
4. The Owner agrees that further publication of the Work, with the same or substantially the same content as appears in the Journal, will include an acknowledgement of prior publication in the Journal.
5. The Owner warrants that the Work is his/her (and named co-authors) own original work, and that the Work has not been published elsewhere.

Title: On the Hamilton-Waterloo problem with triangle factors and C_{3x} -factors

Authors: Adrián Pastine, John Asplund, David Kamin, Melissa S. Keranen, Sibel Ozkan

Note: This email requires a reply; please see below.

Dear Professor Adrián Pastine

Thank you for the final version of your paper above. I am happy to advise you that this paper has been accepted for publication in the Australasian Journal of Combinatorics. Before your paper is published, please ***REPLY*** to this email, indicating your agreement, as "Owner" of your paper, with the following:

---cut here---

Paper reference number: [insert]

1. This is an agreement between the Australasian Journal of Combinatorics (the "Journal"), and the copyright owner (the "Owner") of a work (the "Work") to be published in the Journal.
2. The Owner warrants that s/he has the full power and authority to enter into this Agreement and to grant the rights granted in this Agreement.
3. The Owner hereby grants to the Journal a worldwide, irrevocable, royalty free license to publish or distribute the Work, to enter into arrangements with others to publish or distribute the Work, and to archive the Work.
4. The Owner agrees that further publication of the Work, with the same or substantially the same content as appears in the Journal, will

include an acknowledgement of prior publication
in the Journal.

5. The Owner warrants that the Work is his/her
(and named co-authors) own original work, and
that the Work has not been published elsewhere.

[insert your name here]

Upon publication you will receive a free PDF file of your paper, exactly as it appears in the journal. You may print the PDF file as many times as you like, and distribute it (unchanged) via email to colleagues and others. If you make this PDF file publicly available on the internet, we ask that you please acknowledge the Australasian Journal of Combinatorics by providing a link to the AJC homepage at <http://ajc.maths.uq.edu.au> .

Electronic proofs will be sent about one week before this paper is published online, so please ensure we have your up-to-date email address. This will appear in Volume 64 part 3, at the end of the month.

Thank you for publishing your work with the Australasian Journal of Combinatorics.

Yours sincerely,

Elizabeth Billington

Editor-in-Chief
