MICHIGAN TECH WINTER CARNIVAL PICTORIAL

What are people saying about the Copper Country's Saturday Bank?

"I work until 9 on Fridays . . . Saturday drive-in-windows are convenient."

"I'm busy all week. I can take my time on Saturday."

"I shop on Saturday. When the bargains are there, I need my money."

"We make our major purchases together. That means we need money on Saturday."

Houghton National's University Branch is now open on Saturday from nine to noon. We listen.

In Concert . . .

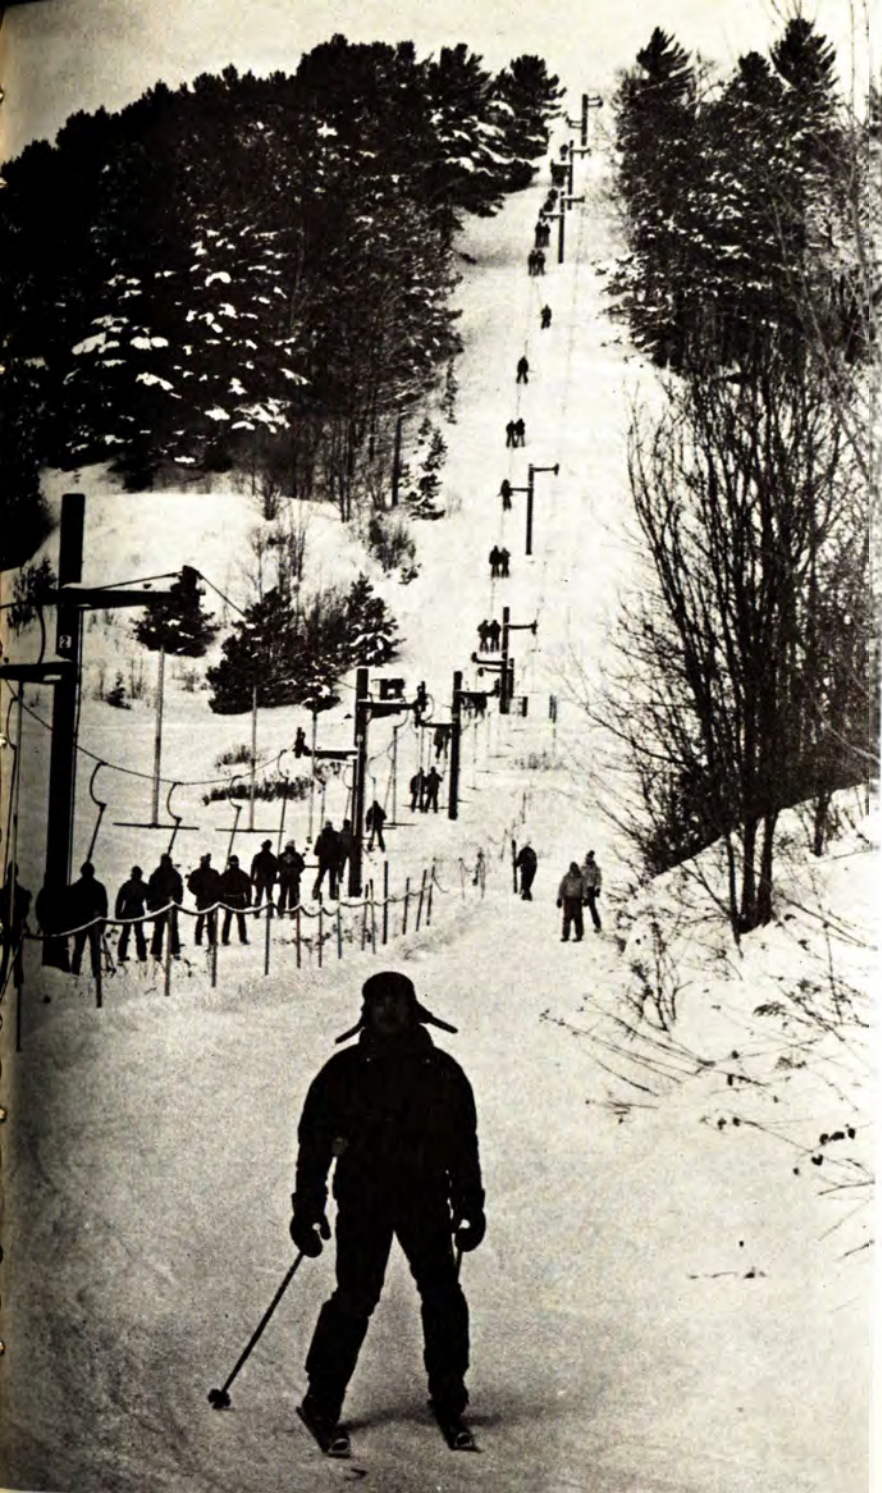

Pat Paulsen

Pat Paulsen opened up Friday's concert in Sherman Gym providing his unique humor and outlooks on life and society. The Comedian and former Presidential Candidate was well received by the audience.

Michael Johnson

Michael Johnson provided the musical entertainment for the concert. He entertained the crowd with his well known hits such as "Bluer than Blue," and "This Night Won't Last Forever."

Marcia Petsch

What do we do in Houghton when it snows?

A Copper Country Winter can be very unpredictable. A blizzard one day could turn into sunny skies the next. One day it's 30 degrees below zero and along comes a few days with temperatures near 40 degrees *above* zero.

Tech students are always willing to find time for some fun, however, no matter what the weather. Winter time is a time to get out and enjoy what the Copper Country has to offer.

Bocce has a ball during Winter Carnival

Photo Services

"It's the busiest statue on campus," says Grand Bocce Mike Smaby of the MTU Bocce Club. The Bocce Club statue, located next to the Library incorporates two bocce courts in its design which are used for the annual tournament held on Friday of Winter Carnival Week.

Bocce originated in Italy and is similar to lawn bowling. The MTU Bocce Club was started at Tech to promote the game of bocce and to provide fun for its members. The Winter Carnival Bocce Tournament is unusual in that the game is played on an ice bocce court.

This year's fifth annual tournament was a complete success with 32 teams competing for the traveling first place trophy. Some of the tournament participants included the Winter Carnival Queen and President Stein.

A grill was set up right on the statue site for a winter cook-out and refreshments were provided for the players. This year's tournament co-ordinator was Cathy Dopp.

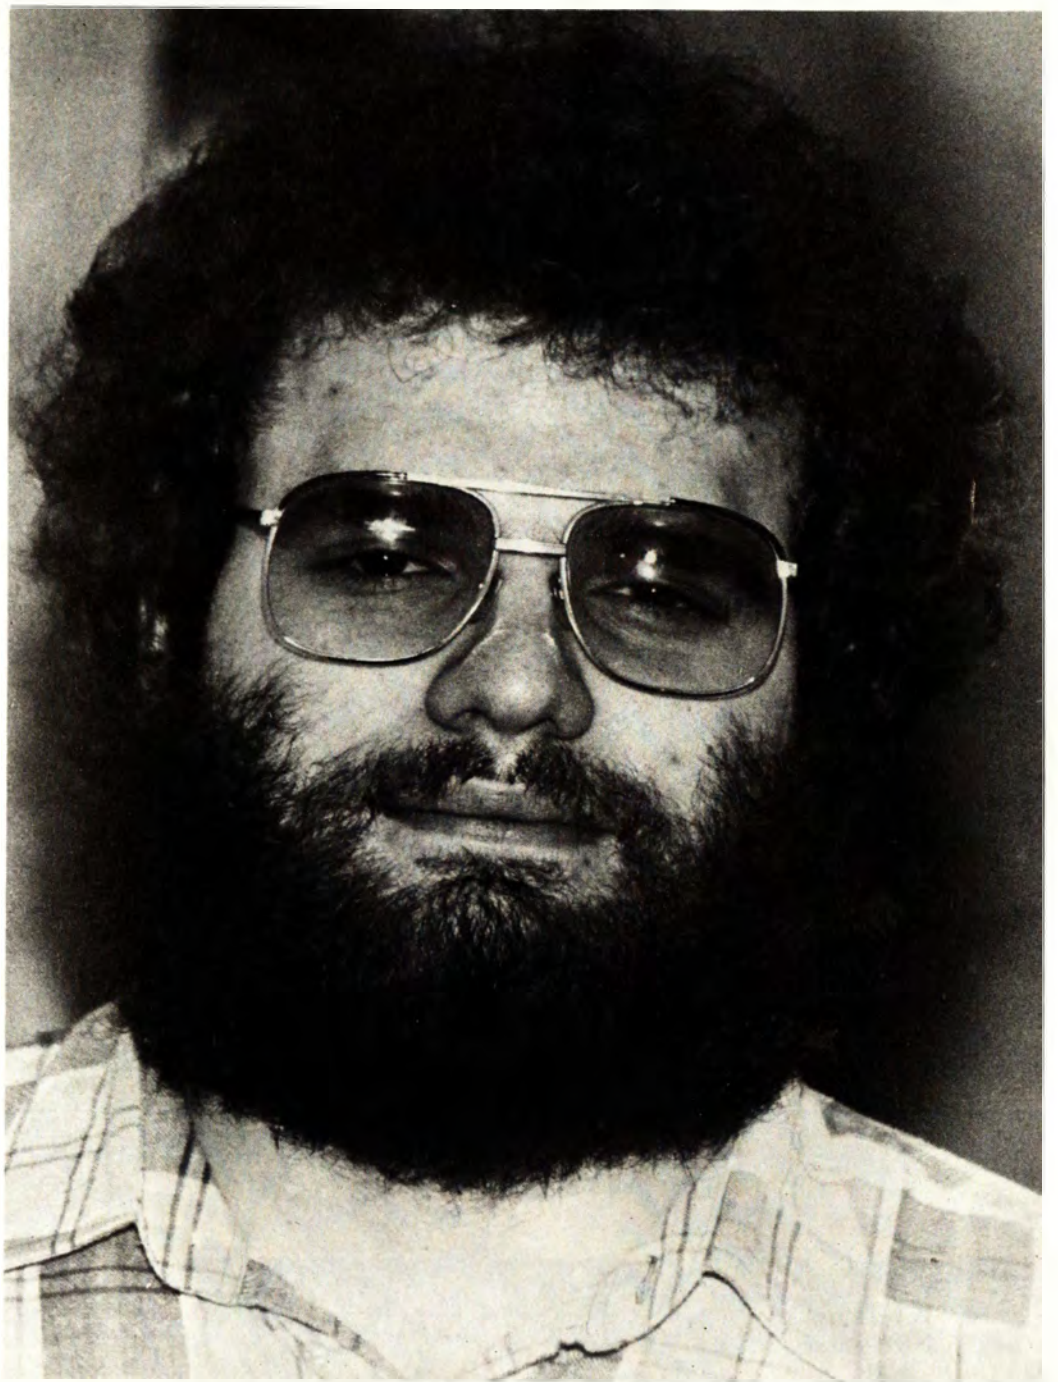

Photo Services.

Whisker Wizzards and Mural Masters

Approximately sixty-five unshaven faces were entered in this year's beard contest. Entries were accepted in both old and new beard categories.

During Carnival, residents of Wadsworth Hall display their talent at art with wall paintings. The paintings depict anything from album covers to the artist's favorite brew.

Cagers beat Wayne State 79-64

The Huskies beat Wayne State Thursday night by a score of 79-64. Top Scorers for the Huskies were Jeff Kotila and Russ VanDuine with 17 points each. The women's basketball team didn't fare as well dropping one to Wayne State 100-37. Today the Huskies take on Northwood Institute.

Back Row (L to R): Deni Wernet, Dan Burke, George Hills, Jim Kozminski, Gerri Schaffer, Brian Post, Scott Pattullo, Ray Greens, Roy Davis, Sandy Sample, Ann Seaser, Harold Meese.
 Center Row (L to R): Matt Zahn, Erik Emaus, Jack Gazza, Dan Tegal, Deb Warzecha, Sally Pearson, Barb Wall, Vicki Salonen, Dan Bobola, John Karson, Pat Peterson.
 Front Row (L to R): Joyce Willette, Jill Kerns, Karen Fettig, Ed Szadziwicz, Lou Anne Szewczyk, Bob White, Julie White, Charlie Cronenworth, Marcia Mikich, Marge O'Brien, Scott Usitalo.

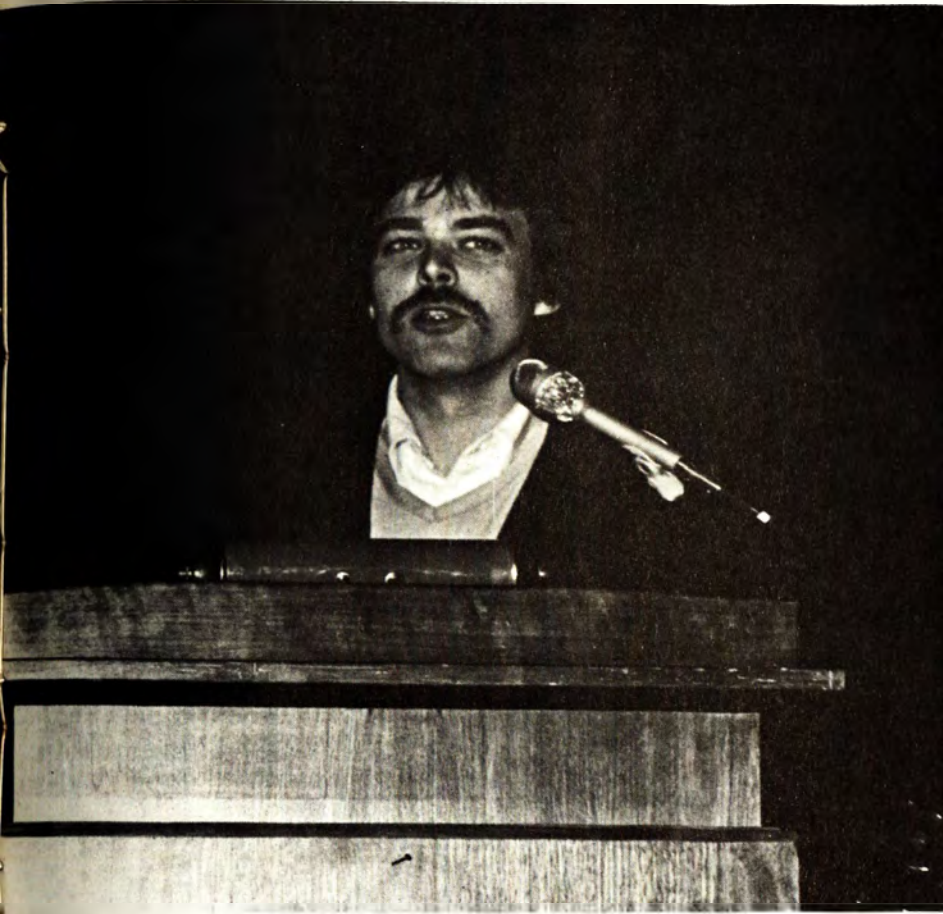

The Blue Key National Honor Fraternity at Michigan Tech organizes the annual Winter Carnival. Blue Key members work on various committees to see to the smooth operation of Carnival activities. The membership of Blue Key is limited to thirty-five juniors and seniors in the upper thirty percent of their class.

Back Row (L to R): Scott Usitalo, *President*, Scott Pattullo, *Treasurer*, Dean Harold Meese, *Advisor*.
 Front Row (L to R): Sally Pearson, *Vice President*, Lou Anne Szewczyk, *Secretary*.

It always happens very fast—with little warning. One day it's a perfect, warm, fall afternoon, and the next day everything is frozen solid. However, after a few years (or months) in the Copper Country, one gets used to the fickle rise and fall in temperature. After all, how much difference can it make if it's 30 degrees or 10 degrees *below zero*?

Well, we may appear to complain a lot about the cold and snow, (except when the downstaters go home, it somehow turns into bragging and “endurance stories”) but actually we do make the best of it. Hockey, dog-sledding, snow-shoeing, statue building — it’s all a part of Winter Carnival!! The one and only snow-banking event that turns ordinary people into frozen statues.

Glazed lakes, crystal coated trees, beautiful scenery, peaceful quiet, slippery roads, cars in ditches, runny noses, frost bitten fingers, cozy fire-sides, cross country skiing to school, broken bones, -40 degree wind chill, "eh?", snow, snow and more snow, we're talking about the Copper Country folks, and yup! We like it here!

Bill Gappy: Nine years of cager excellence.

Coach Bill Gappy's Husky Cagers were only ranked seventh of nine teams by the GLIAC Coaches prior to this season. Last year's National Intercollegiate Conference champions surprised everyone by battling within reach of a GLIAC title as the season progressed.

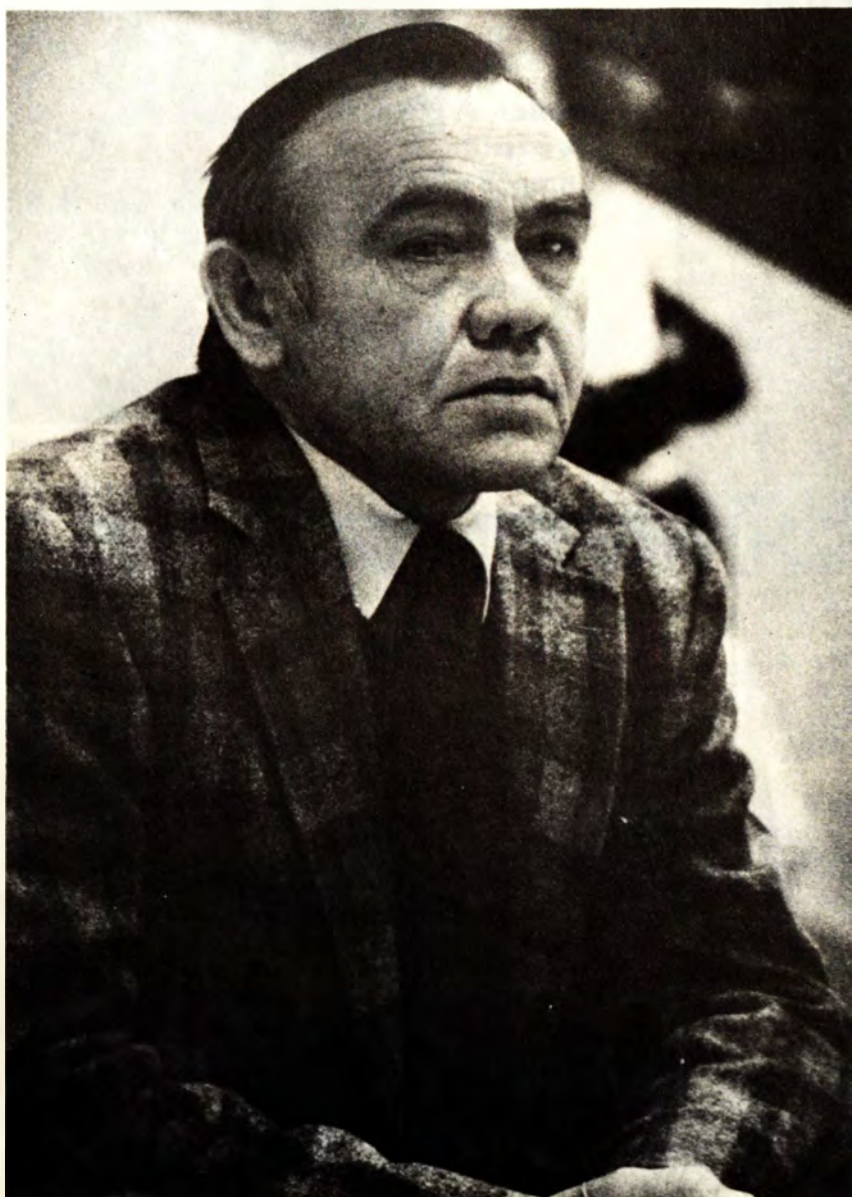

Coach Gappy expressed apprehension about the Husky's debut in the Great Lakes Intercollegiate Athletic Conference. It is, "The finest small college Basketball Conference in the Midwest," according to Gappy.

Since beginning his career at MTU in 1972, Gappy has racked up an impressive 100-96 won loss record. Gappy was named NIC Coach of the Year for the 79-80 basketball season. He began his coaching career in Rochester, Michigan as assistant coach in football, basketball, and track from 1964 to 1967. At Eastern Michigan University from 1968 to 1969, he coached the freshman basketball team to a 12-3 won loss record. Then at Royal Oak Dondero Gappy led the basketball team to their first league title in 35 years.

He and his wife Greta live in Houghton with their three sons.

Scott Heckel

John MacInnes: the Winningest Coach after 25 years.

In 24 seasons at MTU, Coach John MacInnes became the winningest coach in college history. The 55 year old MacInnes became one of the first two members of the American Hockey Coaches Association Pinnacle Club by leading the Huskies to its 502nd win on February 22, 1980. The win surpassed the record of 501 wins held by John "Snooks" Kelley at Boston College.

MacInnes has coached the Huskies to 19 winning seasons since starting at Tech. The team finished in the top four of the Western Collegiate Hockey Association 17 times.

Twenty Michigan Tech players have gained All-American status under the tutelage of MacInnes. He frequently points to the fact that 94% of his letter winners have graduated from MTU as an example of the well rounded athletes on the Husky Hockey Teams.

MacInnes has been practicing his life goal of giving young men a good education as well as helping them achieve athletically oriented goals since becoming Head Coach in 1956. MacInnes is a product of the extensive hockey program in Toronto, Ontario where he was born.

Scott Heckel

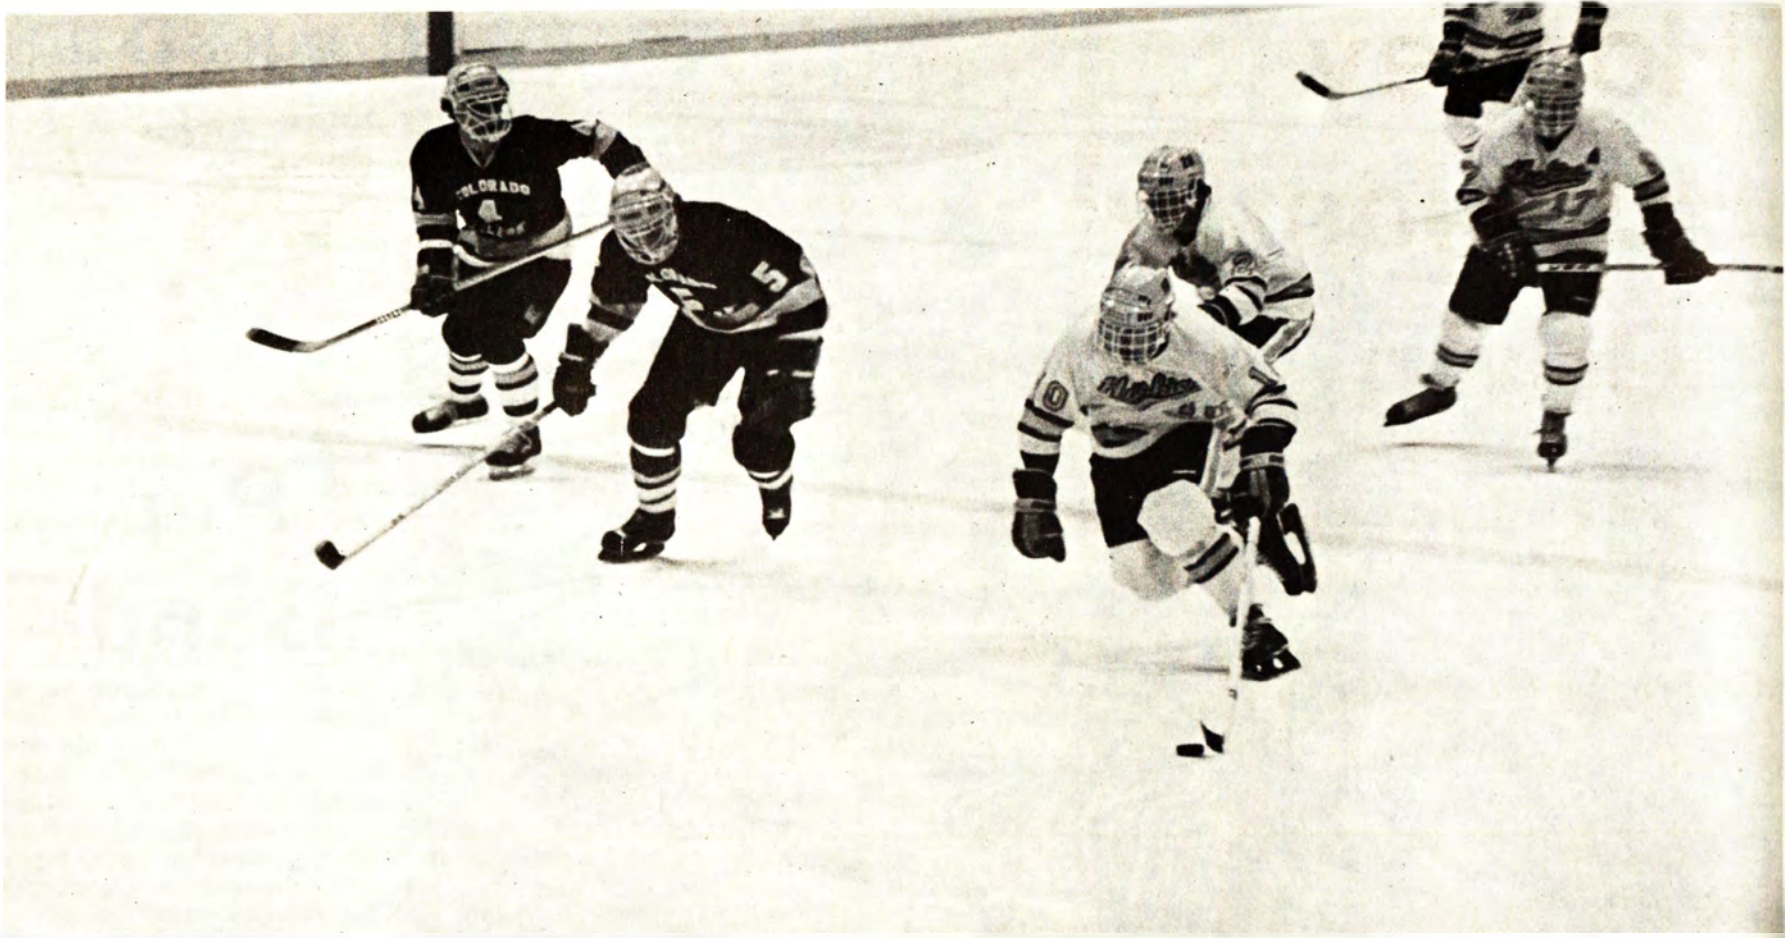

Pep Band!

The Pep Band along with the Symphonic Wind Ensemble, and the MTU Jazz Lab Band kicked-off Carnival Week with the fourth annual Band-A-Rama last Sunday.

The Pep Band is a familiar sight at Tech sporting events. Their colorful uniforms are a sight to see, their sound is truly unsurpassed. Our Pep Band second to none, can ignite the spirit of any fan.

Winter Carnival Stage Revue Winners

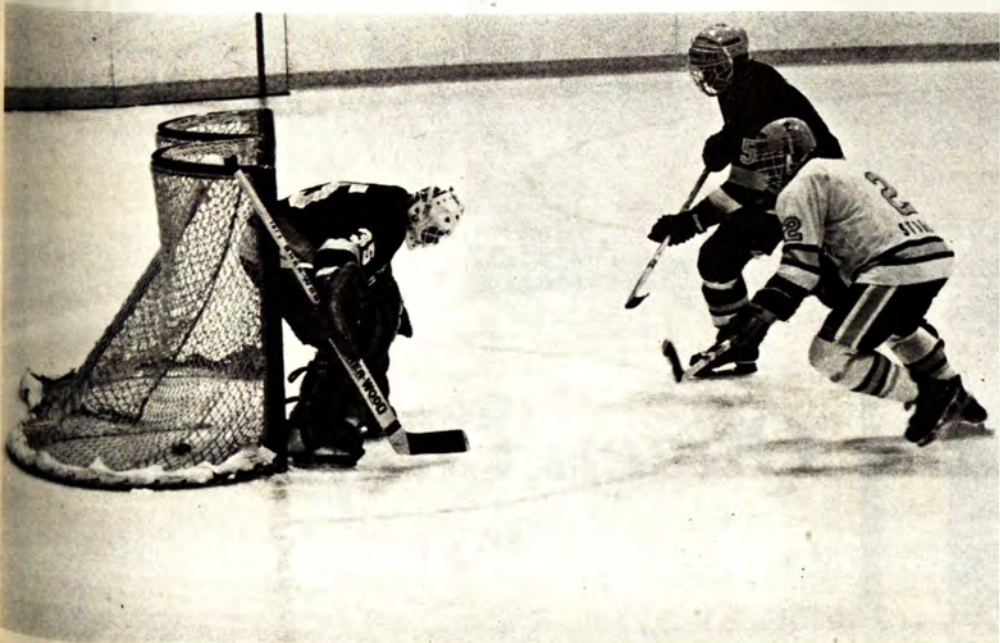

During the Awards Presentation held in Sherman Gym today the winners of the Winter Carnival Stage Review were announced. The results were as follows:

First Place: Sigma Tau Gamma
 Second Place: Cross-Stone
 Third Place: Wesley House
 Fourth Place: Delta Sigma Phi
 Fifth Place: Sigma Mu Delta

Hockey Huskies Down Tigers 6-2

Last night the Michigan Tech Huskies outshot Colorado College by a score of 6-2. The win brought the Huskies to a 17-11-1 overall record while dropping the Tigers below the 500 mark to 12-13 overall. Top league goaltender Frank Kriebler minded the nets last night picking up another win bringing his record to 8-2 overall. Today the Huskies take on Colorado College again hoping for another win, another home sweep, and a chance to better their fifth place standing.

From the Editor . . .

Another Winter Carnival has come to a close. This has been the most memorable one for me by far. Working on the *Pictorial* this year has been a lot of fun, a lot of work, and a lot of lost sleep, but I would do it all over again if I could.

I couldn't have gotten this book completed if it weren't for some very special people. I had a great staff, and I can't thank them enough for their efforts. Joe, Brian, Julie, Collette, and Harvey did a super job. Our photographers were excellent, always coming through when you needed them. Much thanks goes to Reidar Hahn and Lori Dishneau for their advice and support.

I would also like to thank the great people at the Book Concern, Jim, Bob, and Norm, for their help and work. Charles Eshbach, and Margaret Hartshorn and the staff of Communication Services were helpful above and beyond. Of course, I would like to thank the Lode and Blue Key for their help and tolerance of me. If I had to single out one person who got the ball rolling it was Kim Zabernov. If it wasn't for her you might not be reading this now.

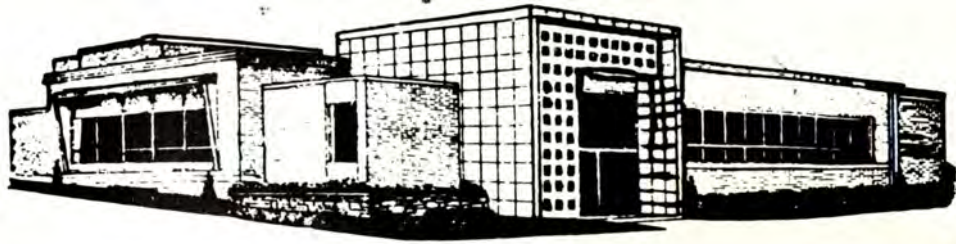

I hope that all of you had a wonderful Winter Carnival. This may be the last one I see as a student of Michigan Tech, but I hope to come back to see more of the beautiful Copper Country and more Winter Carnivals as an alumnus.
